LLSA Review

Provides emergency medicine physicians with a succinct, didactic review of the Lifelong Learning and Self-Assessment articles This elegantly designed peer-reviewed course is intended to review, discuss and test immediately!

Review: Faculty will summarize the LLSA articles in a highly-focused review that emphasizes key areas of relevance for the exam, leaving out the superfluous material.

Discuss: The speaker is dedicated to expanding and strengthening your knowledge base, but more importantly want to engage the audience by creating a fun, interactive format.

Test: Testing will be done immediately following the discussion
