

To 2025 & Beyond!

Where EMS (Evidence, Mobile Integrated Healthcare, Success AND Sanity) in EMS is Going...

Jeffrey M. Goodloe, GWHTHP

...in a manner of focused speaking, a perspective on how to save the world (free and not so free) while maintaining more than enough mental and physical health & wellness as to not warrant "chemical calming" and multiple vasopressors in a simultaneously "critical care time of at least 35 minutes" billed resuscitation of your soul*
